

Welch Allyn BIO

#### **Binocular Indirect Ophthalmoscope**

## **Binocular Indirect Ophthalmoscope**

The most advanced BIO available, with state-of-the-art, convenient features plus lightweight, comfortable fit and increased stability.

- Video-aligned optical system ensures precise positioning of components for easy viewing
- Well-padded leather headband and swooped design combined with ergonomic controls provide comfort and simple operation
- Illumination and visual pathways can be converged for excellent visualization and true small-pupil capability
- Adjusts to handle interpupillary distances of 49 mm to 74 mm—the widest BIO range available
- SoftTilt park/rest feature allows optics to be moved to a stationary position out of your line of vision
- Halogen light source is one of the brightest, longest-lasting BIO lamps
- Vital optics and mirror assemblies are sealed against dirt and dust for long-term clear viewing and durability
- Diffuser filter broadens the illumination beam for enhanced viewing of the peripheral retina
- Choose portable power source or versatile wall/desk power source
